

LORD STIRLING COMMUNITY SCHOOL

“RESPECT ROCKS WEDNESDAYS”

With the effort to continue motivating students to demonstrate respect in the school and to reinforce lessons taught throughout the Week of Respect, the following message was sent to all teachers and staff on November 19, 2013:

Dear Staff,

We would like to give you the ongoing opportunity, throughout the school year, to recognize students who make good choices and demonstrate outstanding effort to show respect in school.

As such, we will be announcing those recognized students through the loud speaker every Wednesday at 2:55 pm. The deadline for submitting those names will be by noon of every Wednesday.

Simply send me or Ms. Rowack an e-mail with the following information:

- Student name
- Grade and Teacher
- Reason for recognition

The students' certificates of respect will be displayed on the Respect Rocks bulletin board by the main office. They may take them home at the end of each marking period.
