

## **“RIDING WITH PRIDE” WEDNESDAYS PROGRAM DESCRIPTION**

Through this program we are able to acknowledge students who, through their actions, *demonstrate their understanding* of the school logo and its values:

**PURPOSE RESPECT INTEGRITY DEPENDABILITY EMPATHY**

As such, every week, any school staff member, including teachers, administrators, security, cafeteria workers, custodians, counselors, are able to nominate any student, not just their own, who demonstrates PRIDE.

The nominated students are called out during morning announcements each Wednesday and their names are posted on the school's logo bulletin Board.

At the end of each Marking Period, the students names are included in a raffle to win a prizes, which are distributed as one per grade level.

The students are able to show great enthusiasm through their eagerness to demonstrate that every day they are able to ride with **P.R.I.D.E.!**
